President's Letter

Hello TOG family,

What a great start to our 2023 rally season! Our April rally was a success. Rick Sibly and Tom Baker organized a team of volunteers, and our park has never looked better. Nancy Sibly and the rest of the rally committee put on a fabulous rally and much fun was had by all.

HUGE SUCCESS!

The board passed a few bylaws changes to make us compliant with international standards. You will be receiving an electronic ballot to cast your ratification vote in the near future.

The board also held a “rules workshop” and we now have updated rules. An email outlining the rules changes was sent Constant Contact. The two biggest changes to our rules are:

1. No guest may use the park's address for proof of residency, billing, or permanent residency. Guest may not receive regular mail at our park. Packages will be permitted.
2. Monthly parking now requires approval, including a criminal background check. If you are a member that has been a monthly guest with us prior to 01/01/2022, you will be exempt and not be required to apply for monthly parking.

**** Rules, along with the 2023 digital directory, are available for you to review and download on our website under the “Membership Directory” tab. Password is togamember.

Jaime and I look forward to seeing y'all at the TOP!

Thank you,

Doug

What's New in the Park

Proposed Bylaw Changes

WIFI System Upgrades

Work began in March on rerouting WI-FI cables from power poles in the A and B sections to underground pipes (conduit). This is part of an effort to better protect the cables and provide a less cluttered and natural look in these areas by removing overhead cabling and utility poles. In addition, the underground conduit in the A section will allow the installation of a new WI-FI access point to improve WI-FI signal strength to members parking in spots A4 – A15.

In the future, underground conduit in the B Section will host a new fiber optic cable directly connecting the main pavilion to the lower section of the park. This new fiber optic cable will improve WI-FI service in the park's C and D sections.

Unser Garten has arrived!

If you are at the Top later this summer and need fresh herbs, tomatoes, bell peppers, etc. we are hopeful we will have a bountiful harvest this year.

We would like to provide you with the proposed changes to our Top of Georgia Bylaws. There are three changes for which we will take a vote from the membership in 30 days. At that time we will send out an Electronic Ballot using the Jotform platform where you can simply fill out the form and submit. If you are unable to vote electronically and would like to receive a paper copy of the ballot or have a board member delegate vote for you, please contact the club secretary Kat Elder.

[Click here to see the 3 Proposed changes to align our process with that of Airstream Club International](#) which are also stated below.

Current: *Section 8. In those cases of co-ownership of a hard-sided recreational vehicle manufactured by Airstream, Inc., the rights and privileges of membership shall be deemed to include the spouses of such co-owners but collectively such co-owners shall possess one vote only except such co-owners who each pay International and Unit dues to this Unit shall each have one (1) vote. A co-owner is defined as one of two WBCCI members who own a single Airstream Recreational Vehicle. Existing co-owners with more than two memberships on June 25, 2005, are not subject to this two membership limitation as long as they maintain continuous membership in WBCCI.*

Proposed: *An owner of an Airstream and his/her spouse/partner who join the Club/Unit as Regular Members will have one vote per person in the election of officers at the Local and International levels as well as amendments to their respective Constitutions. A co-owner, defined as one of two WBCCI members who own a single Airstream recreational vehicle and where each pays International and Unit/Club dues, shall be deemed to include the spouses or partners of each co-owner. Each shall have all the rights and privileges of membership, including voting.*

Current: *Section 9: Renewal dues shall be paid between July 1 and November 15 for the subsequent calendar year. When dues are not paid by November 15, a member may not be listed in the Unit and International Directories for the following year. Membership in the Unit and International Club shall be terminated on December 31 if dues are not paid and received by the Treasurer on or by December 31. Such termination may be reinstated any time within the succeeding twelve (12) months by the payment of Unit and International dues for the current year any time between January 1 and June 30, and/or for the current year and the subsequent year if payment is made on or after July 1 of the current year.*

Proposed: *A member who fails to pay properly assessed International and Local Club dues before December 31 may not be listed in the Annual Membership Directory of the International Club for the following year. If the dues are not paid and received by the Unit/Club or International on or before December 31, for members joining prior to August 1, 2021, or their anniversary date, for those joining after August 1, 2021, the membership will be terminated.*

Current: *Section 10: The Unit delegate and alternate delegate shall represent the Unit at the Annual Meeting of the parent organization, The Wally Byam Caravan International. The delegate shall be instructed with respect to the wishes of the Unit on matters to come before the meeting. The delegate shall cast the Units total entitled votes accordingly with the percentages for and/or against matters to come before the delegates meeting. In the event that the slate of Nominees for International Officers should change due to a withdrawal or a nomination from the floor, and/or that a motion should be introduced or amended after it has been voted on by the Unit Membership at a general meeting, the Delegate and the alternate Delegate shall have the responsibility and the authority to vote their conscience as they believe the membership would have directed.*

Proposed: *Removal of the section completely.*

I came across this picture and thought I would share a little bit of TOG history. This is a picture taken probably around 1986 of 2 1/2 couples (the other 1/2 is the photographer) who all would later become Presidents and First Ladies of TOG.

Left to right: Ben and Charlene Wilbanks, Betty Blount (Ed Blount is photographer) and Harry and Martha Chandler.

All these couples worked hard, played hard and loved the Top of Georgia. When you visit the TOP go take a look at the pictures of our past Presidents in the pavilion. Because of their leadership and all our volunteers through the years we are able to enjoy this beautiful place in the North Georgia Mountains!

**** Do you have a photo and story for "the Archives" you would like to share?**

Please, email Christee Fontanez at Christee@mediadvine.com so that our new members can appreciate the 60 years of fun and fellowship and work that has made the Top of Georgia what it is today!

Editor for Caravanner needed for 2024 season!

The Caravanner has been a long-standing tradition at the Top of Georgia for 62 years! It's a way to inform our members of upcoming events and provide a lasting archive for future members of the Park!

Every editor brings their own unique style. No experience in editing is required....simply a willingness to “play around” and find your own story-telling style.

Editors do not have to contribute to content (unless they want to); only “edit” the articles submitted by board members, committee heads and other volunteer writers.

Only 6 newsletters per season, usually timed a couple of weeks before a Park Rally!

Anyone interested should contact Christee Fontanez at Christee@mediadvine.com so we can discuss the particulars. I would be happy to give you my templates to give you a starting point, if needed.

VOLUNTEER KITCHEN MANAGER NEEDED for 2024 SEASON

- Plan rally meals and purchase ingredients
- Coordinate with other members interested in preparing a rally meal
- Oversee kitchen volunteers (to include food prep, serving and kitchen clean-up)
- Keep tabs on kitchen appliances and arrange maintenance as needed
- Free parking during rally week

Contact Nancy Sibly nancysibly@gmail.com to discuss the position and begin training while she's available!

TOG Seeks Help from Members with Unifi Internet and WIFI Systems

In late 2021, TOG began installing Ubiquiti's Unifi Internet and WIFI equipment to leverage a newly installed 1000 mbps fiber circuit running into the park. The Unifi network became fully operational by early summer of 2022 and has provided stable internet access allowing hundreds of club members to use cell phones, access the internet, play games and stream videos during six large rallies.

The TOG Unifi network is a large system consisting of a Unifi UDM-Pro (Dream Machine), 12 switches, 13 WIFI-6 long range access points, building-to-building radio bridges and ULTE failover capability. The system is supporting 10 security cameras, a Unifi Talk VOIP telephone and an early access connect application that broadcasts slides and videos to two TV monitors in the Park.

TOG has one skilled system administrator and two in training. We would like to have 4-5 system administrators supporting our network. We seek member volunteers willing to learn the Unifi System. Volunteers should have some experience managing a home or work internet connection (ISP modem and router).

This is a great opportunity for volunteers to improve their understanding and network management skills by participating in the management of a much larger and diverse Unifi network.

Since our system is established and proven, the time commitment supporting this effort is minimal and can be performed remotely from anywhere.

If you possess home internet management skills and wish to volunteer to be a TOG Unifi network administrator, please contact:

Volunteer needed to publish our annual Directory

Over the past three years, Doug Ralston has published our Top of Georgia membership handbook, commonly referred to as the “Directory”. As of the 2023 season the directory will no longer be available in print-form.

Skill set needed to perform this role is as follows:

1. Utilize Microsoft Excel to download and compile membership directory.
2. Utilize Microsoft Word to build handbook, incorporating a mail merge from Excel and insert images as needed.
3. Coordinate and compile information from the other officers and committee leaders, as well as regional leaders.
4. Some ability to create and edit PDF files.

**It would also be a plus if you have some experience with graphic design software; however it is not necessary.

Doug will train the new volunteer and will be there for support for the next publishing of the handbook.

If this position sounds interesting to you, please email Doug at ralstondoug@gmail.com

Bylaws Committee Chairperson

The bylaws committee chairperson’s charge is to review and recommend modifications to the board and the membership of the Top of Georgia Airstream Club, as needed. Changes do occasionally become necessary, some because of International Club requirements and some because of changes in local circumstances.

We are fortunate to have a foundation of bylaws that were well-crafted at our local club’s beginnings, and meticulously maintained over the years by faithful officers and members.

Our goal this year is to continue that review process to assure that we are in compliance and that our local needs are being served by the bylaws, without becoming burdensome.

If interested, please communicate with Doug Ralston at ralstondoug@gmail.com

Election of Officers

Officer elections will be held on September 2, 2023, at the TOG during the business meeting. All members are invited and encouraged to attend as we will need a quorum.

Ballots will be available in person and online for members who attend the meeting via Zoom.

Positions not being voted for: Brad Singleton, President and 2nd year Directors, Sam Fontanez and Jesse Stone.

The Nominating Committee is tasked with recruiting and selecting the following slate of officers upon which we will need to vote:

- President-Elect
- First Vice-President
- Secretary
- Treasurer
- 1st year Director
- 1st year Director

Nominations can be accepted from the floor. Permission must be received from the person being nominated before the nomination can be made.

We will also elect from the floor three club members to be on next year's nominating committee.

If you are interested in becoming a Board Representative of the Club, or would like to make a suggestion, please email Dick Sells, Nomination Committee Chair, at rasells67@gmail.com

Upcoming Projects for Park

1. Bury conduit for WI-FI cables
2. Remove the 3 power poles behind the host shed and install power lines underground to accommodate new service in the Park
3. Install new pedestals equipped with 20/ 30/ 50 Amp service Section A-1 through A-10
4. Revise Section D-1 through D-11 for buddy parking
5. Remove utility poles that are rotten and useless.
6. Build pedestrian *Bridge Over Troubled Water*
7. Replace, repair, and add new patio slabs in sections A and B
8. Review fire protection in park

Spring Rally 2023

by Nancy Sibly

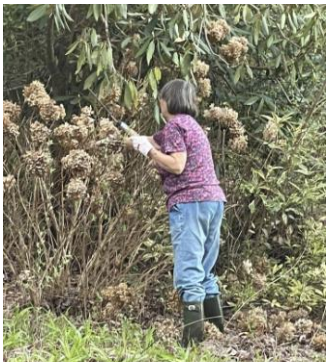

Jackson & Kat Elder

It warms my heart to see the flurry of activity around the Top on work days. The pavilion was cleaned inside and out, kitchen readied for another round of meals, gardens weeded, rocks moved, and so on. Jackson and Kat Elder rewarded the worker bees with a Cajun feast of red beans and rice. They had four pots of beans going and a vat of rice.

Our trusty kitchen crew turned out two delicious big breakfasts with Ken and June Rabren handling the grill side of the kitchen and Tom and Judy Baker handling the oven side. Grant McKay used his elbow grease on those messy pans and we auditioned a new grits cook.

Vanessa Wilkerson, you're hired.

When I asked our resident Property Manager what was completed on his list, he said "Everything". To elaborate, cleaning, raking, weeding, pruning, moving rocks, pressure washing, more cleaning, organizing closets and outbuildings, clearing trail, and repainting driveway arrows.

The creek looks great. In an effort to stop the erosion from last year's flood waters, rocks were realigned from the center of the creek to the eroded areas (with DNR permission) and rocks dredged up with installation of new electrical wires were moved to the creek banks. We had just enough rain over the week to see how nicely the water flowed. Come see for yourself.

In October 2022, our beloved ice cream machine finally bit the dust. We searched high and low for a new thermostat and finally went to the Board pleading for permission to buy a new machine. The Top is now the proud owner of a three (yes, three) spigot ice cream machine and Floy Jumper fired it up (iced?) and kept it going all Saturday afternoon while Barbara kept busy replenishing toppings. What would a rally at the Top be without ice cream?

Nadine Johnson led some ladies in a tutorial of Meghan Trainor's "Made You Look" and then we morphed into the Electric Slide.

Jaime Ralston brought a huge box of supplies and we made tiny terrariums filled with Airstreams, elves, birch blocks, flowers, moss, and rocks. They were so cute that we left them around the pavilion all week.

We had a change of plans on the trivia contest and Adam Higgins and Chris McConnell put together an awesome and mind-boggling contest in just a few hours while hosting and working from home. The best part of that is that it removed them from the competition. They're trivia masters. And that was just Thursday.

RBM of Alpharetta and their offshoot Atlanta Airstream came up Friday morning with a beautiful Mercedes sedan with the whitest white interior I've ever seen and two of their touring coaches built by Airstream on a Mercedes platform, the Interstate and the top of the line Atlas. Now we know how the other half lives. For just seven easy payments of \$45,000 each, you, too, can have one. The Interstate is a bit more modest. There were Airstream elements inside both motor homes with an extra dose of luxury. By the time the rally ended, everyone could be seen with an Atlanta Airstream tote. Rumor has it that upon delivery of a new Atlas, you get the personal cell number of Peter, the technician who accompanied salespeople Lee Collins and Christy Spooner to the Top. Well, that may just have been a rumor.

Hi Nancy and Everyone at Top of Georgia, Thank you for having us up for your spring rally. We three thoroughly enjoyed our day at your campground; you have an amazingly beautiful space that felt so welcoming. We are so glad that you enjoyed viewing the touring coaches; we loved "showing off" the new products that Mercedes Benz and Airstream have to offer. When you decide to take delivery of your new Atlas, I will personally give you Peter's cell phone number so you can access him at all times, lol. We plan on coming out to more rallies this year and I will definitely bring more bags since they seem to be a big hit.

Nadine and Kim Malone were our bingo callers and Jiji has been working on the local businesses for prizes. Go-kart racing anyone? No fights broke out and our business meeting was preceded by coffee and pastries and followed by Happy Hawg lunches. For Saturday evening Mary Anne convinced Eduardo Cautino, recommended by Jiji and Brad and Kate Singleton, to come to the Top and he delighted us with mellow tunes on his acoustic guitar. "Somewhere Over the Rainbow" has never sounded like his rendition. Rounding up good talent is tricky, because so many local restaurants have entertainment and these musicians are booked months in advance.

We sure missed Bob Gray and his smiling face at our Sunday worship service. Unfortunately both Bob and Kay are dealing with cancer diagnoses and treatment. We live streamed Andy Stanley's sermon on integrity. Integrity – dependability, loyalty, honesty, good judgment, respect. There is a world of integrity at the Top of Georgia.

My Moment in time at the Myrtle Beach Region 3 Silver in the Sands Take Two Airstream Rally

It all began on a dark and dreary night in the northeast mountains of Helen Ga. when Host Coordinator Kim accompanied me to the Cardoza's Trailer and asked if they would be willing to provide me with transportation to the Region 3 Airstream Rally at Ocean lakes Family Campground in Myrtle Beach. They kindly accepted and we were on the road early the next morning heading for Myrtle Beach.

Now you have to understand that it has been a while since I last traveled and was very excited to be on the road again. It was a long travel day but when we reached our destination it was warm and sunny! For the first few days I just relaxed and soaked up the sun, however on one very special night the Top of Georgia team sponsored a Happy Hour with all TOG members and affiliates, and I was the Guest of Honor (so exciting, see pictures below). A generous assortment of munchies and beverages were enjoyed by all (especially the rum balls). During the get-together I was able to mingle and get my picture taken with everyone, what fun!

Now that I have made a return to the public, there is no putting me back on the shelf, (or wherever they had me) now it is off to Wyoming and the 66th Airstream International Rally! See you down the road.

ATTENTION!!

There has been a change to our printed **membership directory**.

Due to the increased challenges of selling advertisements, along with our advertisers not seeing much reciprocation from their ads, and the costs associated with printing and distributing, the board has decided to only publish a digital copy of the directory this year.

The directory will be the same layout you are used to, but will be published in a PDF format. It can be found at <https://topofgeorgia.airstreamclub.net/membership-directory/>.

Airstream for Sale!

FOR SALE: 1991 Airstream Classic Limited 60th Anniversary Edition.

This "Gold" model was built to celebrate the 60th anniversary of the Airstream Company. Only 60 of these rigs were built. It was to be the biggest and most expensive Airstream Travel Trailer to date when it was sold, retailing for \$60k brand new in 1991 and measuring 35' 1". It still holds the record as the longest standard production Airstream Trailer ever built. I think it has every luxurious feature that you can get in a '91.

Water heater and refrigerator use AC or gas.

Two furnaces - LR and BR.

I have all hub caps for it in storage.

Includes two mounted TVs, 250 watts solar panels, hitch, rear stabilizer jacks

Overhead AC unit also heats.

LOVING CONCERNS

Our Continued Prayers

Executive Council Election Update:

Hi Region 3 Airstreamers,

Beginning June 1, each of us, as WBCCI members, will have the new opportunity to vote for nine Executive Council officers. The tenth member of the council is the past International President position. We encourage all of you to participate and cast your vote. To help inform you of the choices, please use the links below that will provide you with the candidate's information.

[Link 1](#) - this will take you to your WBCCI login page. After you are logged in, it will automatically take you to the candidate questionnaires they have completed.

If you have never logged into the ACI website, [Email HQ](#) for assistance.

[Link 2](#) - this will take you directly to all of the candidate videos on the Airstream channel in YouTube

Our Region is well represented in this pool of 29 candidates. We have Alan Rabb, Jim Mount, Jim Cocke, Kendall Felder and Millie O'Donnell running for election.

Al Holcomb - Al went home from rehab Friday morning and that afternoon his heart doctor sent him back to the hospital for a cardiac ablation. The ablation could not be completed because his hemoglobin was too low. He is now receiving a blood transfusion. He and Mary appreciate your prayers and continued love and support as Al's doctors plan next steps.

Bob and Kay Gray - Bob and Kay are both receiving chemo and radiation at this time. They are having occasional dizziness, but no pain. They are very thankful for the prayers, driving assistance, cards and support they are receiving.

Psalm 34:7-8, ESV

7 The angel of the Lord encamps around those who fear him, and delivers them.

8. Oh, taste and see that the Lord is good! Blessed is the man who takes refuge in him!

If you are experiencing a difficult time or know of someone who is, please, let me know.
